Department (copy of the time table & awareness programme conducted report attached) Most of awareness programmes are conducted at taluk gram panchayat level.	

15	The staff working in Service Providers should be provided periodical orientation/training at District level on methods, strategies to be used in handling cases of domestic violence.	<ol style="list-style-type: none"> 1. At district level Deputy Directors are conducting meeting of service providers and protection officers and review the progress of Domestic Violence Act cases . 2. Administrative training centre, Mysore and NIPCCD, Bangalore and New Delhi is conducting training on orientation of implementation of DV Act to service providers 	
----	---	--	--

Long Term Recommendations			
1	Women Exclusive Protection Officers should be filled up in all the blocks.	The proposal is submitted to appoint exclusive Protection Officers for the remaining 129 blocks of 157 Protection Officers at Child Development Project Offices is under process	
2	Emphasis should be given to provide facilities of Psychological Counseling at District hospitals to support the victims of violence and their family.	<ul style="list-style-type: none"> • In all districts One Stop Centre are functioning at district hospital ,they provide a facility of psychological counselling at district hospital • Training is given to staff of Special Treatment Unit – Gelathi and One Stop Centre Staff including lawyers. • Government of India has given training to all the staff of OSC. • The training is conducted to Domestic Violence Act stakeholders at NIPCCD and ATI 	

3	Service Providers should be advised to deploy staff and mobility to make their services effectively available. The Government may consider enhancing the service charges and should ensure that they are equipped with minimum infrastructure facilities and staff trained in such works.	Letter dated 27.09.2019 has written to all 30 districts to ensure service providers are equipped with minimum infrastructure facilities and staff trained for services.	The letter will be written to Deputy Directors to inform service providers should ensure that they are equipped with minimum infrastructure facilities and staff trained in such works.
4	There should be uniform/single Format to be used in all the districts in order to ensure data consolidation and analysis;	In all 30 districts we are getting a progress report in a prescribed format by Government of India (quarterly format) (format is attached) and consolidation will be done in head office	
5	Introduce compulsory free primary, higher and PG education for all the women through Education Department.	Education Department has already introduced compulsory free primary, higher and PG education for all the women.	
6	Promote Women's education through adequate financial assistance and infrastructure facilities like schools, hostels, toilets etc to create awareness about rights of women and generate confidence in them to fight against violence and bring about a social change.	<ol style="list-style-type: none"> 1. Karnataka State Legal Service Authority every year do a plan of action of calendar for the awareness programme in all 30 districts in co-operation with Women & Child Development Department (copy of the time table attached) 2. From April 2019 to till August 2019 report of awareness programme conducted by KSLSA is attached . 	

Recommendation for Policy changes			
1	There is need to review the trends in number of cases requiring judicial intervention under this scheme and the time taken in their disposal and formulate suitable policies (including provision of additional facilities / Judges) to deal with the cases under this scheme exclusively so as to maintain the time limit. However, larger debate on this may be necessary.	1. The High Court of Karnataka has issued a circular to all Prl.District and Session Judges to implement the Domestic Violence Act dated:08.08.2008 and letter dated:28.04. 2014. Copies enclosed.	2. The Letter of request for the Government dated 27.09.2019 further date of meeting of State level empowerment committee under Domestic Violence Act.

Director

Department of Women and Child Development
Bangalore.
